Dear Bernie,

Attached is an amendment to the Master Services Agreement reflecting the change in rates for 2003 and clarifying how the rates are arrived at. Please review the attached document and if acceptable to you, print two of the document and have both signed on behalf of Clinimetrics. Forward both of the signed originals to my attention and I will arrange for signatures on behalf of PM. I will return one of the fully signed originals to you for your files.

Let me know if you have any comments or questions.
